Part 5) Agreement

We agree with and are bound to the following: *(Please initial each item and sign on bottom)*

_____ By initialing here, I attest that I am an owner, executive officer, or manager of the company submitting this application, have full knowledge of its operations, and have full authority to represent this company and its employees.

_____ By initialing here, I can attest that our company and/or any of its owners/officers/related affiliates

- Have not; Have been affiliated with a current or past i-SIGMA Member, _____.

- By initialing here, I attest that our company provides commercial products or services to secure information destruction or records management service provider companies.
- By initialing here, I confirm that I have read, and we agree to abide by, the Code of Ethics and By-laws of i-SIGMA (available on website at www.isigmaonline.org).
- By initialing here, I understand, and we agree that as an i-SIGMA Corporate Partner, our company may only use the i-SIGMA logos and trademarks that are directly provided by i-SIGMA for our specific member use (a link to these will be provided via email). i-SIGMA retains the exclusive right to decide in what manner and where these marks may be displayed. Members do not have access to all i-SIGMA trademarks and may only use those provided as a visual representative of their membership.
- By initialing here, I attest that I, and all agents of the company, understand that i-SIGMA does not certify any particular type or brand of equipment whether it is for collection, transport, destruction or disposal of sensitive material.
- By initialing here, I attest that I, and all agents of the company, understand that as a Corporate Partner Member it is not permissible to advertise or promote any product or services as being NAID AAA Certified or PRISM Privacy+ Certified. I further understand that the i-SIGMA Certification specifications are not divisible but exist as a unified code of practice, and therefore, it is misleading to lead those who purchase such equipment to believe that a piece of equipment or type of container is, in and of itself, NAID AAA Certified or that it meets NAID AAA Certification standards. (Note: If the i-SIGMA Complaint Resolution Council encounters advertising from a service provider that they have any i-SIGMA certification on the basis that their vendor (i.e. possibly an i-SIGMA Corporate Partner) either told them or advertised that the equipment they purchased was Certified under an i-SIGMA program or made them Certified by i-SIGMA (e.g. NAID AAA or PRISM Privacy+ Certified), then to that degree, if true, the Corporate Partner is complicit in their violation of i-SIGMA trademarks.)
- By initialing here, I confirm and agree that the company may, after all appeals and due process afforded every i-SIGMA Member-company, be subject to sanctions, fines, or termination for not complying with rulings of the i-SIGMA Board of Directors in association matters related to the resolution of ethical transgressions and correcting misleading or false information.
- By initially here, I understand that i-SIGMA has the right to post public notices on its website and/or elsewhere correcting false information and/or i-SIGMA Board of Directors-approved sanctions as is described in the i-SIGMA Complaint Resolution Council guidelines (available on the website www.isigmaonline.org) or described herein.
- By initialing here, I give i-SIGMA permission to post our company and employee contact information on any i-SIGMA website or list in other places where it will promote our business, this includes but is not limited to the Website Contact's information being posted on the i-SIGMA Online Market found at <https://directory.isigmaonline.org/suppliers/>.
- By initially here, I understand that the information used to manage membership will be drawn from the organization profile and individual profiles in the i-SIGMA database for the contacts supplied. Individual profiles are accessible by contacts for review, and they may contact i-SIGMA at any time to update or delete information. The information in the profile will be used to manage the organization's membership. The information in the individual profile is also used to identify the individual as a representative of a company; thus, in the event of membership with i-SIGMA, allowing membership benefits. In addition, e-mail addresses will be used to communicate billing, voting rights, association updates, event announcements and details with attendees, and association promotional opportunities. Member representatives may update their subscription preferences at any time to opt out of marketing communications but not membership-specific communications. I understand to update or remove any member representative's contact information with i-SIGMA, to contact i-SIGMA at 3030 N. Central Ave, Ste. 706, Phoenix, AZ 85012, USA or +1 602-788-6243 or info@isigmaonline.org.
- By initialing here, I attest that our organization handles data in accordance with the GDPR, CANN-SPAM, and appropriate local data regulations. I understand that as a Corporate Partner our organization may request Service Provider Member Contact Data and we will always provide an unsubscribe/opt-out option.
- By initialing here, I confirm and acknowledge that this agreement is limited to the term of the 2026 i-SIGMA Corporate Partner Membership. That each year, our company will need to renew our membership with i-SIGMA and upon payment of dues our company is continuing to confirm and agree to this Membership Agreement.
